34th District Court Funding Agreement

by **LARRY L. O'KELLEY**
Freelance Writer

At the July 8th township board meeting, the board voted to approve the settlement reached by all the communities in the 34th District Court.

As part of the funding agreement the board had to agree to sign a release that forgave any amounts owed to either Romulus or by Romulus to the individual community.

The township attorney explained that the dispute went back 22 years to 1976 when the funding arrangement first became a matter of dispute. Because the court is housed in the City of Romulus, the

city had been taking a larger share of the traffic fines with the remainder going to the community that issued the ticket.

For a number of years several communities, particularly Van Buren Township had been unhappy with the funding arrangements and after a series of negotiations with representatives from all the communities an agreement was reached. In essence, each side forgave the other for monies owed.

Trustee McKinney objected to this and expressed a desire for greater detail in the agreement. He seemed to be concerned about the \$18,000 that was the amount of Huron Township's dispute with the court and part of the \$105,000

that was disputed by all the communities. In response, the township attorney pointed out that Huron Township appears to have been improperly operating a traffic bureau and likely owed the City of Romulus an amount greater than \$18,000.

As part of the agreement, Huron Township will be allowed to operate its own traffic bureau and any fines paid within a certain time period would be 100-percent collected by the township. Technically prior to this agreement, Huron Township improperly collected 100-percent when the fine was paid quickly and this was the dispute Romulus had with the township. Under the agreement

any fines processed by the court after the agreed time period — would be split 2/3 the City of Romulus and 1/3 the ticketing community.

The township supervisor was part of the final series of negotiations and he spoke in favor of the proposal. He indicated the alternative was expensive litigation and that the outcome was uncertain. The remainder of the board seem to be in agreement and the motion to accept the proposal and mutual release was approved. Trustee McKinney was the single dissenting vote.

School Board Members Inducted

by **JARROD BARRON**
Freelance Writer

On Monday, July 6, 1998, the Huron Board held its annual organizational meeting. Chief Judge Tina Brooks Green of the 34th District Court, a Huron Township resident,

administered the oath of office for school board trustee to Jane Long, Calvin Schalk, and Richard Zavodsky. Mrs. Long was elected to fill a vacancy created by the resignation of Jeri Vickerman and will serve the three years remaining on that term. Mr. Schalk and Dr. Zavodsky were re-elected to serve regular four-year terms.

After entertaining comments from the public, the Board then chose its officers for the next year. Calvin Schalk was re-elected president, and Donna Mendrysa was again chosen vice-president. Alice Ferguson was selected to be the secretary, and Richard Zavodsky will continue to be the treasurer. The other members of the Board are

Ken Appleby, Colleen Lazere, and Mrs. Long. The Board decided to continue its present regular meeting schedule of the first and third Mondays of each month. The next meeting will be held August 3rd at 7:30 p.m. in the High School Lecture Hall.

Letter to the Editor

Dear Editor:

As you know we have a recall coming up on the August 4th ballot. Once again our small community shall have to decide whether to recall our elected officials or not. And as usual the rumors

are flying around the Township like the fires in Florida. I would like to add my *personal* feelings on this subject.

In the last recall, we had good reason to remove the official in question. This time around however, I am dumbfounded. The entire board seems to finally be working together. Looking at the meetings one can see we have

strong leadership at the helm, and the board is getting down to the business of running the Township. Why are we being asked to remove three members of a board that is getting things done? In my *personal* opinion this is a grudge match. If we look at the leaders of this movement, we find staunch backers of the previous supervisor that was removed by a majority of the

people that came out to vote. It is my *personal* opinion that this in itself bears looking at. The Township as a whole cannot afford to let this sort of thing happen! Think of it this way. We voted out an entire board almost two years ago and look what happened. Now we are being asked to get rid of a third of the board. Who will take their place? The leaders of the movement to recall our board members? Remember it was also those same people that backed our former supervisor, telling us what a wonderful job she was doing!

Well enough of that. I would like to urge the residents of our community to get out and vote on the 4th of August and let reason prevail!

Respectfully yours,
Gerald Rohn

13-year resident of Huron Township
